

MODULE PARENTS AND SCHOOL BOARD

ACTIVITY 5 . BETTER INTERNET FOR KIDS

- **TIME:** Periodically / ad hoc.
- **RESOURCES:** Web portal.
- **LANGUAGES:** ENG / SPA.

DESCRIPTION:

The Better Internet for Kids portal provides information, guidance and resources on better internet issues from the joint Insafe-INHOPE network of Safer Internet Centres in Europe, and other key stakeholders.

OBJECTIVES:

The exchange of knowledge, expertise, resources and best practices between key online safety stakeholders, including industry, in order to increase access to high-quality content for children and young people, step up awareness and empowerment, create a safe environment for children online, and fight against child sexual abuse and child sexual exploitation.

LESSON OVERVIEW:

Visit the Better Internet for Kids portal which offers a wide range of resources, information, and tools related to online safety, digital literacy, and responsible internet use. It provides guidance for parents, educators, policymakers, and other stakeholders on how to navigate and address the challenges of the digital world, including cyberbullying, online privacy, inappropriate content, and more.

Discover more about Better Internet for Kids

Discover more about our work, the ways in which we can help you, and the ways in which you can get involved.

Need help with an online issue?

If you're struggling with an issue online, or just want some tips on managing your digital life, you are not alone. Insafe helplines operate in all European countries and can provide you with free, impartial help, guidance and support, via a variety of contact methods. Many helplines operate an anonymous service too.

BIK Youth

Youth participation activities are at the heart of Better Internet for Kids (BIK) activities. Using co-creation methods, young people work together and with other stakeholders to develop online safety guidance, learning and campaign materials, and contribute to decision-making processes to help create a better internet.
